1st Grade's Grading Policy

Grades are based on student progress of the Texas Essential Knowledge and Skills (TEKS).

E	Excellent	WOW! I have mastered the concept. I know the concept so well, I can teach it to someone else consistently. I can explain the concept in two or more ways. I can be given more depth and extension activities on this concept.
S	Satisfactory	I am grasping the concept. I have a general understanding of the skill. I am still practicing, but I have not mastered the concept.
N	Needs Improvement	I need my teacher to reteach the concept to me in small group in a different way. I am making some progress.
U	Unsatisfactory	I do not understand the concept at all. I am not able to perform any part of the task. I am making little or no progress. I am not meeting the standard.

Teachers do not *give* grades. Students *earn* grades. Grades are not based on effort. Effort will be noted under *Citizenship and Work Habits* on report cards.
